8 CLYDE MATT, an Individual; DONALD
9 PARKER, an Individual; PHILLIP HENKLE,
an Individual; ESTRELLA CARINO, an
Individual,

10 Plaintiffs,

11 v.

12 DARYL DESHAW, an individual,

Defendant.

13 -and-

14 IMT GROUP, LLC, a Nevada limited liability
15 company,

16 Nominal Defendant.

Case No. 2:15-cv-00982-MMD-VCF

ORDER

17
18 The Court granted Plaintiff's motion for default judgment ("Motion"). (ECF No. 16.)
19 However, the Court deferred a ruling on damages because Plaintiff did not offer any
20 evidence to support their request for damages in the amount of \$12,000 on behalf of each
21 Plaintiff for a total of \$48,000. (*Id.* at 2.) Accordingly, the Court directed Plaintiffs to "file a
22 supplemental affidavit from each Plaintiff that identifies the amount of damage requested
23 and the evidence supporting that request." (*Id.* at 3.) Plaintiffs complied (ECF No. 17), but
24 the affidavit of Plaintiff Donald Parker seeks \$21,165.00, which significantly exceeds the
25 \$12,000.00 requested in the Motion (*id.* at 6).¹ The Court will not grant damages in excess
26 of the amount identified in the Motion.

27
28 ¹Plaintiff Clyde Matt asks for \$12,015.00. (ECF No. 17 at 5.)

1 It is therefore ordered that Plaintiffs are entitled to damages as follows: (1)
2 \$12,000.00 to Clyde Matt; (2) \$12,000.00 to Donald Parker; (3) \$11,665.00 to Phillip
3 Henkle; and (4) \$11,967.00 to Estrella Carino.

4 DATED THIS 12th day of February 2018.
